Park Plaza 2010

Park Plaza Bible Class Curriculum

Park Plaza's Adult Bible School Curriculum is a program designed to lay the foundational truths essential for Christian life and service, preparing each person for ministry in the home, church, and community; *Strengthening Inward Faith and Increasing Outward Mission.*

Objectives of Adult Bible School: *Hebrews 13:20-21 "May the God of peace, who through the blood of the eternal covenant brought back from the dead our Lord Jesus, that great Shepherd of the sheep, equip you with everything good for doing his will, and may he work in us what is pleasing to him, through Jesus Christ, to whom be glory forever and ever. Amen."*

-Laying a Christ-centered foundation, "through the blood of the eternal covenant brought back from the dead our Lord Jesus..." Park Plaza is committed to bible-based instruction that sanctifies each believer under the Lordship of Jesus Christ and impact every area of life and ministry.

-Building a Christ-conforming church, "equip you in every good thing for doing His will..." Park Plaza is committed to equipping each believer with the foundational truths of God's Word. It is our goal to communicate the glories of Christ through the ministry of discipleship and evangelism as these characterize every area of ministry in the body of Christ (Matthew 28:18-20).

-Pursuing a Christ-consuming work, "work in us what is pleasing to him, through Jesus Christ..." Park Plaza is committed to equipping the saints in a work of ministry that pursues His all-consuming glory and pleasure; *Strengthening Inward Faith and Increasing Outward Mission*

All Adult Classes 9:45 - 10:45

Please note that a positive paradigm shift in the Adult Bible Classes began last quarter. The class shepherds, along with the class leaders and teaching staff, will assist in planning the curriculum for their separate classes. This allows each class the flexibility to study topics and texts more fitting to the needs of each individual in coordination with their spiritual journey. No longer will only one topic be offered for all Sunday morning classes.
